Dear Superintendent Silva:

Greetings!

In relevance to the implementation of the project entitled "Sustained Nationwide Dengue Vector Surveillance" we will be distributing tarpaulins and will be giving out honoraria for the concerned school coordinators on March 8, 2016 (2pm) at the division office. We will be providing you the list of schools and their respective coordinators.

We are requesting your good office to inform the school coordinators of the said agenda and we are hoping for your full cooperation on this matter.

Also, as part of our aim to include the private schools to the project, we would like to seek your assistance in informing Seventh Day Adventist San Jose in Digos City to participate in the project. We will be having an orientation to their science club members on the said date by 2pm. We would also be providing OL trap kits to the school.

Should you have queries, kindly contact Ms. Ruby Felicia M. Manongdo or Mr. Niño Don Carlo L. Carrillo thru mobile numbers: 09173061478/09214524024 and email addresses: ruby_manongdo@yahoo.com/carrillo_don@yahoo.com.

Thank you very much.

Very truly yours,

DR. ANTHONY C. SALES, CESO III
Regional Director
