**Subject: Request for Endorsement of the Seminar-Workshop on Gender Research Methodologies**

Dear **Atty. Escobarte:**

The University of the Philippines Mindanao through the Office of Extension and Community Service (OECS) and the Office of the Vice Chancellor for Academic Affairs (OVCAA) in collaboration with the Office of Gender and Anti-Sexual Harassment (OGASH) will organize a Seminar-Workshop on Gender Research Methodologies on **October 10-11, 2016** at the **Diamond Hall, RELC-NEAP XI, Quirino St., Davao City.**

As a national university and one of the leading premier research institutions in the country, the activity will be the university's contribution in the *'construction and reconstruction of Gender and Development knowledge'* in Mindanao. The seminar-workshop will serve as venue to introduce and orient the target participants in the area of gender and development research. This can also be an opportunity to discuss possible research ideas as well as important research questions in the said field.

The overall objective of the seminar-workshop is to mainstream Gender and Development and present important research agenda that will be responsive to the needs of the people of Mindanao. The activity aims to achieve the following objectives:

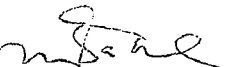

1. To train the participants in the conduct of gender-based research/study;
2. To present the Gender and Development (GAD) as tool of analysis and framework and discuss its strengths and criticisms; and
3. To identify emerging gender-based research problems/questions relevant to the Mindanao context.

A registration fee of **Php 2,800** per participant will be charged (**lodging/accommodation excluded**). This fee will be used to cover seminar-workshop and administrative expenses including lunch and snacks, seminar kit, e-copy of instructional materials, and certificate of participation.

Because of the significance of this activity, we would like to request the endorsement of your Office to allow interested college teachers and staff/personnel to participate and learn from this seminar-workshop.

Thank you very much.

Sincerely,

  
**Mr. Michael Gatela**
