Course-Link Information Technology Center

Sir:

Greetings!

This is with reference to your letter regarding your program, the Course-Link Information Technology Center. This Office interposes no objection to your conduct of qualifying exam to students in the public schools in Digos City Division provided that necessary arrangements will be made with the school head so that classes will not be disrupted and that no government funds shall be utilized for the event. Further, we reiterate that participation to the program will be voluntary.

We appreciate your desire to help the students in this Division and for partnering with us in the development of proficiency among our learners.

Thank you very much.

Respectfully yours,

## COURSE-LINK INFORMATION TECHNOLOGY CENTER

Local Schools Division of Digos

**WINNIE E. BATOON, ED. D**  
Officer-In-Charge  
Office of the Schools Division Superintendent

Dear Sir:

In our desire to help you the student to enhance and nurture interest in the field of Science and Technology, the COURSE-LINK INFORMATION TECHNOLOGY CENTER has embarked on a project designed to broaden perspective among the students as well as their parents on matters regarding this field. The program called the COURSE-LINK INFORMATION TECHNOLOGY CENTER aims to link the home, school together with the students.

To promote and develop Science Consciousness in the youth, the COURSE-LINK INFORMATION TECHNOLOGY CENTER offers to provide reference materials and advance computer training and study this will enhance among them the basic knowledge in Science and certain degree of computer literacy while the program aims to help every students attain proficiency in their academic pursuits, it may also reduce the financial burden of parents who have cope up with the high cost of education, particularly on the price of books and tuition fee.

Under the program science qualifying exam shall be conducted to all participating primary and secondary students both the private and public schools within the division. Those who will hurdle the test will be given special privileges to avail of some academic books as well as computer reference materials.

The students will be given the **HANDS-ON ADVANCE COMPUTER TRAINING** in a prestigious computer school.

This program is very essential but voluntary and is not compulsory on the part of the parents concerned.

Thank you very much.
