Sir:

Greetings!

As the City Division Dancesports Coordinator, thru the initiative of the **Digos City Division Dancesports League Association**, I am pleased to inform your good office that the **FIBA (Filipinas International Ballroom Association)**, would like to extend their expertise to our local ballroom program since Ballroom Dancing is already a competency qualification of TESDA under the Performing Arts- Ballroom Dance NC2, and it is also part of the K to 12 curriculum which begins in Grade 9 level.

The seminar-workshop aims to promote proper education of Ballroom Dancing and Dancesports to all school teachers, students and aspirants using the international standards of the syllabus with its mechanics and principles and to generate funds for the purchase of portable sound system to be used for any incoming activities of the Dancesports League Association.
