Subject: Division Science and Technology Fair 2016

Date: November 9, 2016

In support to the programs and activities of the Department of Education and in pursuance to the conduct of the Regional Science and Technology Fair (STF) in December 2016, this Office through the Education Program Supervisor in Science will conduct the Division Science and Technology Fair on November 17, 2016 at Digos City National High School.

The activity aims to promote Science and Technology consciousness among the youth and identify the most creative/innovative and the best Science researchers who will represent the Division to higher level competitions.

The participants are the first and second placers at the district level for the elementary and the first placers at the school level for regular secondary schools and the first and second placers for Science, Technology and Engineering Program implementing school in each of the following categories:

1. Life Science – Individual
2. Life Science – Team (3 members)
3. Physical Science – Individual
4. Physical Science – Team (3 members)

Participants are requested to submit three (3) copies of their manuscript on or before November 14, 2016 for evaluation of their research paper by the judges.

No registration fee shall be charged to participants. Participants will take charge of their meals and snacks. Travel and other incidental expenses incurred by the participants are chargeable against local funds/school MOOE/support funds for Special Programs subject to the usual accounting and auditing rules and regulations.

Schools with no research projects may send one (1) science teacher to attend the activity as observer-participant to gain more ideas on the conduct of science research projects.

School heads are requested to make necessary arrangement such that classes of teacher-participants are taken care of.
