Dear Dr. Silva:

Greetings!

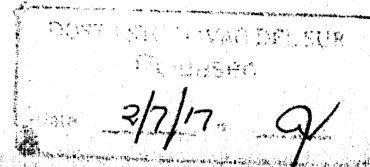

This has reference to the Science and Technology Academic and Research-Based Openly Operated Kiosk Station or **STARBOOKS** project of the Department of Science and Technology (DOST) to various schools in Davao del Sur. We have identified three schools under the Department of Education-Digos City Division to be provided with external hard drives containing the STARBOOKS software. Prior pre-assessment/pre-engagement activities were also conducted to properly introduce the program.

In connection to this, we are pleased to inform you that we are to finally conduct the Memorandum of Agreement (MOA) and Memorandum of Understanding (MOU) signing for the newly identified school beneficiaries in the province. Hence, we would like to invite the school heads and ICT coordinators of the schools mentioned above to attend the activity in Women's Federation Center, Gen. Lim St., Digos City on February 10, 2017 at around **1:00PM to 3:00PM**. For clarifications or concerns, please contact Leah or Cath at (082) 553-3469/ (0907) 833 2188 or email us through pstcdavaodelsur.dost11@gmail.com.

We hope for your continued support to Science and Technology. Thank you very much.

Very truly yours,

VICENTE S. DAGANGON
Provincial S&T Director
