Dear Atty. Escobarte:

This is to request your assistance in recruiting qualified applicants for the AY 2018-2019 Hubert H. Humphrey Fellowship Program in the United States. The application period is from March 1, 2017 to June 9, 2017.

The Humphrey Program brings accomplished professionals from developing countries, including the Philippines, to the United States at a mid-point in their careers for ten (10) months of study and related practical professional experiences. Fellowships are granted competitively to candidates with a commitment to public service in both the public and private sectors. The program is designed to meet the requirements of policy makers, planners, and managers who have a public service orientation, are committed to their country’s development, and have demonstrated leadership potential.

Applicants may come from the following areas:

- Agricultural and rural development
- Communications/journalism
- Economic development
- Educational administration, planning and policy
- Finance and banking
- Higher education administration
- HIV/AIDS policy and prevention
- Human resource management
- Law and human rights
- Natural resources, environmental policy and climate change
- Public health policy and management
- Public policy analysis and public administration
- Substance abuse education, treatment and prevention
- Teaching of English as a Foreign Language
- Technology policy and management
- Trafficking in persons, policy and prevention
- Urban and regional planning
The Humphrey program is NOT intended for technicians, research-oriented professionals, or faculty members with no administrative functions. Candidates should be mid-career professionals committed to public service and should have demonstrated ability to achieve positions of significant responsibility and show promise of assuming future leadership roles. Other qualification requirements are in the enclosed information materials about the AY 2018 - 2019 Humphrey competition. Dossiers of selected nominees from the Philippines will be reviewed by a selection panel in the U.S. that will make the final selection of successful candidates.

We have enclosed a set of application materials. Additional application forms and information materials may be obtained from the Philippine-American Educational Foundation (PAEF) office and can be downloaded from the PAEF website www.fulbright.org.ph. We strongly encourage interested applicants to check our website and download the required form. They can also like us on Facebook at www.facebook.com/philippines.fulbrightcommission where announcements and other relevant information are posted regularly. The attached application form may be photocopied. Completed applications should be received at the PAEF on or before June 9, 2017.

Since it began in 1978, one hundred seventeen (117) Filipino professionals from the public and private sectors, including non-governmental organizations, have gone to the United States as Humphrey fellows. They currently occupy important leadership positions in their respective fields and organizations. We look forward to continuing this excellent record of Humphrey fellows through your help in identifying appropriate candidates.

Thank you for your continued support.

Sincerely,

Dr. Esperalda S. Cunanan
Executive Director

APPLICATION FOR THE
HUBERT H. HUMPHREY FELLOWSHIP PROGRAM
FOR MID-CAREER PROFESSIONAL STUDY IN THE UNITED STATES

INFORMATION AND APPLICATION INSTRUCTIONS
(Please read carefully.)

PROGRAM DESCRIPTION: The Humphrey Fellowship Program provides mid-career professionals from designated countries of Africa, Asia, Latin America, the Caribbean, the Middle East, Europe and Eurasia with an opportunity to enhance their professional capabilities through participation in specialized, 10-month, non-degree programs of development study in the United States. The Humphrey Program was initiated in 1978 to honor the memory and accomplishments of the late Senator and Vice President, Hubert H. Humphrey. Fellows are selected based on their potential for national leadership and commitment to public service, in either the public or private sector. The program provides a basis for establishing long-lasting productive partnerships and relationships between citizens of the United States and their professional counterparts in other countries, fostering an exchange of knowledge and mutual understanding throughout the world.

Funding for the Humphrey Program is provided by the U.S. government through the United States Department of State and other co-sponsors. The Institute of International Education (IIE) collaborates with the State Department’s Bureau of Educational and Cultural Affairs in administering the program. The types of university programs arranged for Humphrey Fellows depart from a traditional discipline-oriented focus and have a problem-solving and experience-sharing emphasis. The programs are not degree-related or aimed at providing scholarly preparation or basic training in a field. The objective is to provide Humphrey Fellows with an overall experience that broadens their perspectives, enhances their capability to assume greater career responsibilities, and provides opportunities to establish useful professional contacts. To accomplish these objectives, programs are designed to include various combinations or course work, independent projects, internships, consultations with U.S. faculty or experts, field trips, and special seminars. Under the guidance of a designated faculty advisor or “coordinator,” fellows plan programs that best suit their individual career development needs.

DURATION OF GRANT: The program arranged for Humphrey fellows extends from August or early September to the following June. Applicants who need additional English training may be required to arrive in the United States as early as June for intensive language study before beginning their regular university program. Candidates must be able to participate in the full period of the English and/or university programs.

NONDEGREE STATUS: The program designed for Humphrey fellows does not result in the awarding of a degree. While fellows are able to enroll in courses relevant to their professional interests, the Humphrey Program is not appropriate for those who wish to concentrate on academic work required for a U.S. degree. Humphrey fellows spend a considerable portion of their time engaged in off-campus activities such as internships, field trips, workshops, and special projects that give them practical experience in their professional fields. Fellows who successfully complete the program are awarded a Certificate of Participation.

FINANCIAL PROVISIONS: The Humphrey Fellowship provides tuition and university fees, a monthly maintenance allowance, a book and supplies allowance, round-trip international travel to the host institution (and to the fellow’s English-language training program, when applicable) and domestic travel to Washington, D.C. for a special seminar. Supplementary funds are available for professional activities such as field trips or attendance at conferences. Humphrey Fellowships are not renewable.

Humphrey fellows should plan to bring with them some personal funds to cover incidental expenses not covered in the grant. Humphrey Fellowships do not include funds for dependents (family members). Humphrey fellows are responsible for providing travel, insurance, and financial support for any dependents accompanying them to the United States. Please note that English and orientation centers cannot accommodate dependents. Therefore, dependents should not arrive in the United States until the fellows are settled in their academic year programs and have secured housing (at least 30 days after the fellow’s arrival).

PROGRAM FIELDS: The programs arranged for Humphrey fellows are related to one of the following fields: (1) agricultural and rural development; (2) communications/journalism; (3) economic development; (4) educational administration, planning and policy; (5) finance and banking; (6) higher education administration; (7) HIV/AIDS policy and prevention; (8) human resources management; (9) law and human rights; (10) natural resources, environmental policy, and climate change; (11) public health policy and management; (12) public policy analysis and public administration; (13) substance abuse education, treatment, and prevention; (14) teaching of English as a foreign language; (15) technology policy and management; (16) trafficking in persons policy and prevention; (17) urban and regional planning. The university programs do not address themselves to the scientific or technical aspects of these fields, but rather to broad policy-making and problem-solving issues.

FOR MID-CAREER PROFESSIONAL STUDY IN THE UNITED STATES

INFORMATION AND APPLICATION INSTRUCTIONS
(continued)

PLACEMENT IN UNIVERSITY PROGRAMS: Candidates who are selected for fellowships are placed in clusters by field of interest at U.S. universities specially designated to host a group of Humphrey Fellows. IIE, therefore, is not able to make placements at specific universities requested by candidates, not to award fellowships enabling candidates to attend a U.S. university on the basis that they have already been admitted. Candidates should not apply directly to U.S. institutions.

Final selection of Humphrey candidates will be made by a National Selection Panel in Washington, DC.

APPLICATION INSTRUCTIONS:

1. Each page of the enclosed application carries its own instructions and should be read carefully before proceeding. All forms must be completed in English and typewritten or computer-generated. Please answer every question as completely as possible (except for the Substance Abuse form, page 8 of the application, which should only be completed by candidates in the field of substance abuse.) The application form may be downloaded from the PAEF website www.fullbright.org.ph, and completed by computer.

2. Please take special notice of #14, "Give a 50-word summary of your proposed program plan." This section is very important as members of the Hubert H. Humphrey Fellowship Selection Committee read this summary and determine whether to nominate you. Please be sure to provide a succinct but substantive summary statement.

3. The completed application must be received at the Philippine-American Educational Foundation (PAEF) office, 10th Floor BPI-Philam Life Makati Building (formerly Ayala Life-FGU Center) 6811 Ayala Avenue, Makati City 1226 on or before 9 June 2017.

4. You must attach complete and certified academic documents covering your entire period of study at universities or other postsecondary institutions, including advanced degrees. Documents must be accompanied by complete English translations.

Your academic documents must consist of:

- A certified official record (transcript) from each university or other postsecondary institution, listing the subjects you studied and the grades (marks) you received during each year of your enrollment. Include all postsecondary institutions you attended, even those from which you did not receive a degree or diploma.

- Certified, official evidence of each postsecondary or university degree, diploma, or certificate awarded to you.

To be considered official, each academic document must bear the seal of the issuing institution as well as the signature of its officials. Copies of original documents will be accepted only if they are separately certified as being authentic duplicates of originals. Certification of copies may be made by the issuing institution. All documents submitted become property of PAEF and will not be returned.

5. You are required to submit two letters of reference, one of which must be from your immediate supervisor in your current position. The letters of reference should be computerized or typewritten in English.

6. You are also required to submit an NBI clearance acquired in the past six (6) months.

You should promptly inform PAEF of any change in your professional status or future plans after this application has been submitted.

II. Please assess the applicant's suitability for the Hubert H. Humphrey Fellowship Program based on his/her educational background, work experience and individual needs for career development. (A description of the Humphrey Program is on the front of this page.) Include a candid evaluation of the applicant's ability to pursue serious academic work in the context of a mid-career professional program. Indicate also how this program will directly benefit not only the candidate's career but our country and society. Also discuss the candidate's leadership potential and commitment to public service. (Your comments should be continued on a separate sheet if more space is needed.)
Application forms may also be photocopied.
