Director Alferio T. Escobarte
Regional Director
Department of Education
Region 11, F. Torres St.

Dear Director Escobarte:

Effective writing skill is very important in proper communication. Government employees especially those assigned in the office should have the confidence in their skills in written communication. Confidence is gained when one is equipped with knowledge and expertise in letter writing, making grammatically-correct sentences and composing reports, memos, resolutions, circulars, etc. For a writer to convey exactly what he/she wants to express in a letter/communication, the structure and contents of the sentence/s should be simple and understandable to the reader.

Thus, the Civil Service Commission as the central human resource institution aims to expose personnel in the bureaucracy to the art of written communication at any level of proficiency, produce a clear and concise writing structure and to re-enforce the knowledge of communication technique gained from their forragal education. This program is called Seminar on Effective Writing Techniques (SEWT).

In view of this, we are inviting you to send participants who are interested to develop their writing skills to attend this two-day program on June 8-9, 2017 at a venue to be determined. A training fee of Two Thousand Four Hundred Pesos (PHP 2,400) per participant shall be collected to defray necessary training expenses. The course will be conducted on a non-residential basis.

Kindly accomplish the attached confirmation slip and send it to our Field Office or Regional Office on or before May 24, 2017. Reservation of participants shall be on a first-come-first-served basis. This Office reserves its right to deny acceptance of participants once the quota has been met before the deadline.

Please be advised that agencies with confirmed nominees who fail to attend the seminar without prior notice will be billed for the catering expenses inasmuch as for food reservation of said participant is already made in advance.

Your staff may call the Human Resource Division at tel. numbers 299-1724/299-1725/299-1227, for further details.

Very truly yours,
