PhilHealth Nationwide Poster Making Contest for
Grade 10 Public School Students

THEME: "Ang PhilHealth sa Aking Mga Mata"

I. BACKGROUND

The teaching of the PhilHealth Learner’s Material (PLM) to Grade 10 students has been rolled out to public schools nationwide this School Year 2017-2018 through the partnership of PhilHealth Regional Offices (PROs) with the Department of Education (DepEd) Regional and Division Offices.

To continuously promote the teaching of PLM to public schools, strengthen partnership with DepEd and sustain interest among Grade 10 public school students, PhilHealth is launching a nationwide poster making contest with the theme “Ang PhilHealth sa Aking mga Mata”.

The poster making contest will be an avenue for the students to showcase their talents in arts and express through their own eyes their gained knowledge, awareness and understanding about PhilHealth.

The finish artwork of the students will represent how students in public schools now value and appreciate the role of PhilHealth in the financial risk protection of the Filipinos as they learned about it through the teaching of the PLM in their classrooms.

The winning artwork per region will be showcased in the 2019 official calendar of Philhealth which will display the impact of the teaching of PhilHealth to the students in our country’s Basic Education.

II. CONTEST DETAILS

PHASE I (April — May 2018)
• Phase I is the elimination round for the entries of schools in the Division of Schools level
• The winning entry in each Division of Schools will be decided by the concerned Education Program Supervisor for MAPEH of the Division Office
• All winners at the Division of Schools level will be transmitted to PhilHealth Regional Office XI and will qualify for the Phase II of the contest

PHASE 2 (May — June 2018)
• Phase II is the judging of the winners at the regional level
• Winners at this level (1st, 2nd and 3rd prize) will be decided by PhilHealth Regional Office (PRO)

Davao City

Dear Director Escobar:

Greetings of good health!

We are truly grateful for the support and assistance you extended during the roll-out of the teaching of PhilHealth Learner’s Material (PLM) to public schools in your region. We are pleased by the schools’ response by eagerly implementing the teaching of the PLM and the students’ reactions by valuing the lessons learned based on our observation during the teaching of the PLM in selected schools in your region.

To continuously promote the teaching of PLM to public schools nationwide, strengthen partnership with DepEd and sustain interest among students, we will conduct a Poster Making Contest with the theme "Ang PhilHealth Sa Aking Mga Mata".

This poster making contest will be an avenue for the students to showcase their talents in arts and express through their own eyes their gained knowledge, awareness and understanding about PhilHealth.

The winning artwork per region will be showcased in the 2019 official calendar of PhilHealth which will be a display of the impact of the teaching of PhilHealth to the students in our country’s Basic Education. In addition, cash prizes await the winners per Division of Schools and at the Regional level. Please see attached contest details and mechanics for your information and reference.

We hope we can meet you or your Regional Education Program Supervisor for MAPEH to discuss about this the soonest. Ms. Kleah Gayle Dublin will coordinate with your office regarding this. If you have questions or clarifications, you may also contact Ms. Dublin at telephone number (082) 295-2133 or 0933 8557833.

We look forward to your positive response on this request.

Thank you and best regards.

Truly yours,

DENNIS B. ADRE

THRU: MS. JESELYN B. DELA CUESTA  
Education Program Supervisor, MAPEH

Dear Atty. Escobarte:

Warm greetings!

We would like to take this opportunity to thank you for the successful implementation of the roll-out of the PhilHealth Learners Material (PLM) in our region. Last year, we were warmly accommodated by your staff from the roll-out up to the actual classroom observations, where we witnessed the teaching of PhilHealth topic to Grade 10 MAPEH students.

With the continuous implementation of the teaching of PLM in all public schools, we are providing you printed copies of the PLM. We are requesting that you facilitate the distribution of two (2) copies of the material per school in the Davao City schools' division. For your information, the softcopy of the material is also downloadable from our website through this link: https://www.philhealth.gov.ph/downloads/LearnersMaterial_PhilHealth.pdf

Once again, thank you for your assistance.

Truly yours,

DENNIS B. ADRE  
Regional Vice-President
