RO XI ORDER
No. 2018 - 0024

SUBJECT: GUIDELINES FOR THE GRANT OF CASH INCENTIVES TO THE WINNERS OF VIDEO MAKING COMPETITIONS

I. INTRODUCTION/ RATIONALE

Health Literacy refers to people having the appropriate skills, knowledge, understanding and confidence to access, understand, evaluate, use and navigate health and social care information and services. Efforts to improve health literacy can have a range of benefits. They can increase health knowledge and build resilience, encourage positive lifestyle change, empower people to effectively manage long-term health conditions and reduce the burden on health care services.

The direction of Health Education and Promotion Section (HEPS) is towards improving Health Literacy. Distribution of LED TV and computer tablets which aim to provide health information to clients in different health stations has been part of the activities of HEPS.

Video Making Competition is a strategy to promote and educate different target population on the different programs of the Department. Winning entries of the competition will become property of DOH and shall be used as advocacy materials which will be distributed to the different Local Government Units.
II. OBJECTIVES AND SCOPE

These guidelines are being issued to provide administrative procedures and requirements in the release and utilization of funds to the winners of the three (3) video making contests in the following programs, Dengue Prevention and Control Program, Regional Tobacco Prevention and Control Program, and Dangerous Drug Abuse Prevention and Treatment Program.
