SUBJECT: FAST TRACKING OF UTILIZATION OF MAINTENANCE AND
OTHER OPERATING EXPENSES (MOOE) ALLOCATION

DATE: July 28, 2016

Records show that the schools under the aforementioned school heads are behind in their utilization of their monthly Maintenance and Other Operating Expenses (MOOE) allocation. With this, they are directed to fast tract their requests and liquidations up to the current MOOE allocation in order not to compromise the absorptive capacity of the division to utilize allotments which are intended to properly implement program, projects and activities.

Furthermore, please be reminded that the final release of MOOE allocation, including the December MOOE allocation, will be on November 2016 to provide ample time for the liquidation of the same.

For your strict compliance.
