Dear Hon. Esguerra:

Greetings!

The Ramon Aboitiz Foundation, Inc. (RAFI) Triennial Awards was initiated in 1996 to give recognition to individuals and institutions in the Visayas and Mindanao who make significant contributions to social development particularly in areas where help is most needed.

The awards program was established to mark the interface and congruity between the lives of those who serve — and who, through their efforts, bring about hope and change for the better the lives of the less-privileged — and that of our foundation's original pillars, Don Ramon Aboitiz and Don Eduardo Aboitiz.

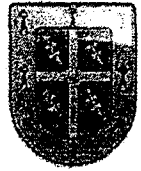

The RAFI Triennial Awards is awarded every three years in two categories: the Ramon Aboitiz Award for Exemplary Individual Category and the Eduardo Aboitiz Award for Outstanding Institution Category. Ultimately, the awards program recognizes the philanthropic, humanitarian, and holistic efforts of individuals and institutions in enhancing the quality of life of groups and communities.

During our 6th RAFI Triennial Awards cycle, we have awarded Mrs. Anita Castillon, a 63-year-old educator to the Indigenous People of Lake Sebu in South Cotabato. Through her efforts, Mrs. Castillon was able to set up three Indigenous Learning Schools for the T'Boli tribe of Lake Sebu. We likewise awarded Kadtabanga Foundation for Peace and Development Advocates, Inc. from Maguindanao for their peace and development efforts in Mindanao.

We are now open for nominations for the 7th RAFI Triennial Awards. It is in this regard that we would like to ask for your help to cascade the Call for Nominations to all your Regional Offices in the Visayas and Mindanao by issuing an Advisory. We look forward to receiving nominations of individuals and institutions with whom you may have worked with or are aware about in helping further the country's Development agenda and change the lives of communities they serve.
