Digos City, Davao del Sur

Dear Sir Batoon,

Humanitarian greetings from the RED CROSS of Davao del Sur!

Humanitarian greetings from the RED CROSS of Davao del Sur!

The Youth Department which focuses on the advocacy and inculcation of moral values and character building of the youth to educate them in the spirit of Red Cross and provide opportunities in directing and harnessing their energy and idealism into worthwhile activities will once again hold an annual camping activity.

We are pleased to inform you that Philippine Red Cross – Davao del Sur will be holding the 18th Red Cross Youth Camp with the theme “Youth Doing More, Doing Better, Reaching Further” with hashtag #weareoneredcross.

The activity aims to provide an avenue for the youth to develop the spirit of volunteerism, discuss and exchange ideas on relevant issues and problems affecting the community and most specially to build friendship and camaraderie among the participants. Moreover, the camping offers activities that will showcase their talents, provide lifesaving skills through technical sessions on mass CPR (hands only) and bandaging techniques; t-shirt printing (paper technology and basic sewing techniques.

Pinoy games are incorporated to preserve Filipino Culture on traditional games taking consideration that the youth nowadays are more into playing gadgets, thus limiting their social interaction. With the Pinoy games, friendship and camaraderie is promoted.

The Winners for the Search of Miss & Mister Red Cross Youth and the Little Miss Red Cross competition will serve as Ambassadors in promoting the Red Cross Youth and its role in the school and community.

In relation to this, we would like your favorable endorsement to the said endeavor and grant of service credits to participating teachers/advisers.

Please find attached practical information for the activity. The Red Cross Chapter will be responsible in the reproduction of the practical information.

Thank you very much.

Very truly yours,

HELEN DIEZ-CABERTO, RMT MPA 
Chapter Administrator
