1. The budget is one provision from where the school derives its existence. Not merely to exist but to function productively. The school’s Maintenance and Other Operating Expenses (MOOE) is downloaded through the school head for management and disbursement. The division office tries to see to it that the annual allocation of each school is fully released by the end of the year. This is to ensure that the allocation will be fully and timely utilized by the school for its purpose.

2. With this, the Division of Digos City has initiated this activity called “PT Cash Day” (Prudent Transfer of Cash Advances to School Heads Day). This activity aims to streamline the release and liquidation of School Maintenance and Other Operating Expenses (MOOE) by creating a one-stop shop. Unlike in previous years when a school takes a long time to get its monthly share of MOOE due to voluminous process of documents, the Division Office sets a schedule of PT Cash Day every month. School heads shall submit their liquidation reports and once verified to be complete and correct the cashier will immediately release the check on the same day.

3. Regarding the training expenses directly deducted by the Budget Office against the local fund of the school, the section will release the amount of training expenses incurred which affect the net amount to be reflected in the Request of Cash Advance (RCA). The list of these amounts will be released a week before the submission of the RCA. The RCA submission is scheduled every last Monday of the month preceding to the monthly allocation for request (e.g. the RCA for February will be submitted on the last Monday of January). This is done to avoid over utilization of the fund and to ensure that expenses are evenly distributed.

4. An advisory will be issued in the event that the schedule of PT Cash Day falls on a holiday, Saturday, Sunday or there are other inevitable circumstances that hinder the conduct of activity on the scheduled dates.

5. During the PT Cash Day, all school heads are expected to submit their liquidation documents as early as eight o'clock in the morning to give ample time for the liquidation checkers to properly check the correctness and completeness of the documents. Checking and rectifying of liquidation documents must be done during the day. Releasing of the allocation of the immediate subsequent month will be forfeited if the School Head will fail to liquidate the previous cash advance within the scheduled date.

6. School Heads on official business on the scheduled PT Cash Day should inform the Schools Division Superintendent, Budget Officer and Accountant ahead of time in order that the processing of the liquidation and release of allocation will be arranged. They are required to process their MOOE liquidation immediately upon return to their Official Station.
