We are going to change the world

1, 2, 3, 4, 5, 6, 7, 8, I believe it's not too late
Together we can change the world, Lay the puzzle pieces out
Find out what it's all about, Together we can change the world

Refrain:
Can't do it by myself, So I'm asking for your help
Together we can change the world, Sail past where it's been charted
Roll your sleeves up, let’s get started, Together we can change the world
Together we can change the world

With our hands and with our hearts, We can dare to make a start
Together we can change the world, What if we spoke with one voice,
Knowing that we have a choice?, Together we can change the world

REFRAIN
Change your mind and change your life, Set aside the fear and strife
Together we can change the world, When we open up our eyes
Then we start to realize, Together we can change the world

REFRAIN 2x

2, 3, 4, 5, 6, 7, 8, I believe it's not too late
Together we can change the world.
