Dear Honorable Regional Directors:

Greetings from CYWTAC-Legazpi!

Children with special needs (CSN) require specialized instructional strategies in a structured environment that supports and enhances their learning potential. It is important to remember that these children need differentiated instruction tailored to their distinctive learning abilities. Providing for the needs of special education students will certainly be one of the challenges as a professional educator. The role of a teacher and helping professional is very important in the learning and development of these students. Recognizing the importance of maximizing all possible means for helping CSN learn, there is a need to help and equip teachers/helping professionals.

The children and Youth Wellness Technical & Advocacy center (CYWTAC), Inc., a DSWD licensed and accredited community-based non-government organization in Bicol Region has been helping children/teens, families and various institutions in terms of counseling, coaching and formulating helping interventions for children at-risk. CYWTAC has spearheaded the annual get-together of all SPED EDUCATORS, MENTORS and SPECIALISTS since 2012.

In the desire to equip teachers with the necessary skills to teach different learners, CYWTAC will hold the 8<sup>th</sup> **NATIONAL SPECIAL EDUCATION (SPED) CONFERENCE** with the theme: **"SPED EDUCATORS: In Relentless Pursuit of What Works in Teaching Learners with Special Needs"** on May 27-29, 2020 at *The District Boracay, Station 2 Barangay Balabag, Boracay Island, Malay, Aklan.*

This conference will showcase effective and modern ways of helping and managing challenging (behaviorally and academically) and at-risk children with special needs. It is our hope that the strategies they will learn from this conference will provide teachers and other educators with resources, guidance, and support to enrich their teaching strategies for the benefit of their students. In this connection, may we request for your support by attending/ sending representatives or endorsing this conference to teachers of SPED or Regular Teachers handling Children with Special Needs from your school/ institution? PRC Accreditation for CPD is being processed.
