Subject: UTILIZATION OF GOOGLE SHEETS IN THE REPORTING
LEARNER ENROLLMENT AND SURVEY FORM
(LESF) DATA

Date: June 23, 2020

Attached is Memorandum No. DM-PHRODFO-2020-00197 signed by
Usec. Jesus L.R. Mateo dated June 22, 2020 regarding the Utilization of Google Sheets in
Reporting Learning Enrollment and Survey Form (LESF) Data.

The Department issued DepEd Order No. 8, s. 2020 that provides guidelines on the
enrollment procedures for School Year 2020-2021 that includes the Learner Enrollment and
Survey Form (LESF) which seeks to register incoming learners and gather information on
household capacity to support various learning modes. However, the system has been
experiencing technical issues which makes accessing in the LESF module difficult. In response
to this, the module has been disabled by ICTS to allow the programmers to fix the technical
issues but the LIS facility remains open for schools to finalize EOSY data.

In the meantime, the following changes shall be observed and shall take effect immediately:

   a. The daily reporting of enrollment data using Google Sheet shall be expanded to
cover the results of the survey. The Central Office will prescribe a common Google
Sheet template for the regions to accomplish. However, the regions are given
flexibility to determine the most feasible strategy in generating the LESF data from
the school level. The use of Google Sheet shall be until July 7, 2020.

   b. Reporting of enrollment and survey results shall strictly be done by previous
advisers to avoid double counting.

   c. LESF module in the LIS will be redeployed once issues have been addressed and
the entire technical design are completed, such as, governance level dashboard.

   d. With these correction, the new deadline for tagging is July 30, 2020.
The result of the survey are crucial for DepEd in making informed decisions for the implementation of the Basic Education – Learning Continuity Plan and for partners and other government agencies in determining their support to the Department.

For clarifications, please contact the Planning-Service – Education Management Information System Division (PS-EMISD) through email at ps.emisd@deped.gov.ph.

Immediate dissemination and appropriate action of this Memorandum is desired.

This includes the Learner Enrollment and Survey Form (LESF) which seeks to register incoming learners and gather information on household capacity to support various learning modes.

The LESF module in the Learner Information System (LIS) was deployed last June 10 where teachers encode collected learner's data. However, the system has been experiencing technical issues which makes accessing in the LESF module difficult. In response to this, the module has been disabled by ICTS to allow the programmers to fix the technical issues. However, the LIS facility remains open for schools to finalize EOSY data.

c. LESF module in the LIS will be redeployed once issues have been addressed and the entire technical design are completed, such as, governance level dashboard.

d. With these corrections, the new deadline for tagging is July 30, 2020.
The results of the survey are crucial for DepEd in making informed decisions for the implementation of the Basic Education - Learning Continuity Plan and for partners and other government agencies in determining their support to the Department.
