Dear partner in education,

As we celebrate Teachers' month this September, Gokongwei Brothers Foundation (GBF) is teaming up with Smart Parenting to officially launch the **#HeroTeacher** campaign. This initiative seeks to **recognize teachers who go the extra mile to ensure that no Filipino learner is left behind amid the next normal in education.**

GBF and Smart Parenting are recognizing **10 #HeroTeachers** through December. Every selected **#HeroTeacher** will be featured in the **E-skwela video series** and will get a **Php15,000 in-kind donation** from GBF in support of their advocacies. Through the **#HeroTeacher** campaign, we honor inspiring teachers like Ms. Edelyn Nicol, a teacher at Pacita Complex National High School in San Pedro, Laguna who exchanged her old projector for supplies to print learning modules for children in need and non-readers in her community. Know more about Ms. Edelyn's story through the [full story on the Smart Parenting website](#) or this [Smart Parenting Facebook Page post](#).

Aside from recognizing **#HeroTeachers**, GBF also strives to keep educators company-- a *kasama*-- as we transition to the next normal in education. We take this opportunity to invite you to [KaSaMa Teachers Community](#), a professional online community for K to 12 science and mathematics teachers established by the University of the Philippines National Institute for Science and Mathematics Education Development (UP NISMED) in partnership with GBF. KaSaMa Teachers Community provides quality teaching resources, a platform for sharing best practices, as well as professional development opportunities to K to 12 science and mathematics teachers through its platforms www.kasamateachers.ph and www.facebook.com/kasamateacherscommunity

Thank you for your service **#HeroTeacher**! We are with you in championing quality Filipino education. We are all in this together. Stay safe!

Sincerely,

Alen Josef Santiago, Rpm, LPT
