DIVISION MEMORANDUM

CID-2023- 076

To : Public Schools District Supervisors
School Principals/School In-Charge/Administrators
Public and Private Schools

Subject : **Special Science Computer Educational Development Program**

Date : March 14, 2023

Herewith is a letter from Cristorino P. Labiano, General Manager of CourseLink Information Technology Center, relative to their Special Science Computer Development Program which is aimed to promote and develop science consciousness among the youth.

As part of the program, CourseLink Information Technology Center offers to provide reference materials and advance computer training.

Participation to said program shall be voluntary, not compulsory and no government funds shall be used. Representatives from the Company may introduce their program to schools provided arrangement with the school principal and the PTA shall be made prior to the activity and shall be subject to the no-disruption-of-classes policy as stipulated in DepEd Order No. 9, s. 2005 entitled "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith". Further, this must not be construed that this Office is endorsing any product or services in compliance with DepEd Order No. 28, s. 2001, Prohibiting the Commercialization of the DECS Organization Through Endorsements and Accreditation of Goods and Services.

For information and guidance.

Dear Ma'am:

In our desire to help you the student to enhance and nurture interest in the field of Science and Technology, the CourseLink Information Technology Center has embarked on a project designed to broaden perspective among the students as well as their parents on matters regarding this field. The program called CourseLink Information Technology Center aims to link the home, the school together with the students.

To promote and develop Science Consciousness in the youth, the CourseLink Information Technology Center offers to provide references materials and advance computer training and study, this will enhance among them the basic knowledge in Science and certain degree of computer literacy while the program aims to help every students attain proficiency in their academic pursuits, it may also reduce the financial burden of parents who have come up with the high cost education, particularly on the price of books and tuition fee.

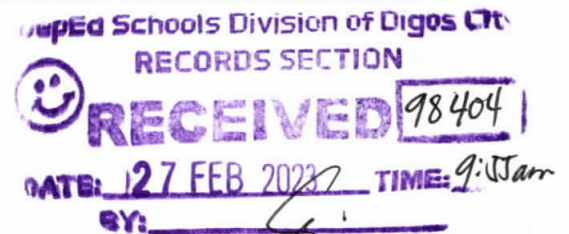

Under the program science qualifying exam shall be conducted to all participating primary and secondary students both private and public schools within the division. Those who will hurdle the test will be given special privilege such as **HANDS-ON ADVANCE COMPUTER TRAINING** in a prestigious computer school.

This program is very essential but voluntary and is not compulsory on the part of the parents concerned.

Thank you very much

Very Truly Yours

CRISTORINO D. LABIANO
General Manager
