RE: Microsoft Education Ambassadors National Gathering – November 22, 2017

Through the years, Microsoft Philippines has worked closely with the Department of Education, Education institutions and private schools and organizations in bringing together innovative educators to further progress and support the empowerment of teachers and students through the proper use of technology for future-ready skills.

Through one of our banner programs, **the Microsoft Education Ambassadors Program**, we are able to bring together educators and individuals who have been qualified and empowered with the right set of skills in delivering a portfolio of trainings on teaching with technology. To date, we have reached over 150,000 teachers nationwide through our various training programs on digital literacy and ICT integration in teaching.

On **November 22, 2017 at SMX Aura, Taguig City, Metro Manila Philippines**, we are gathering all our Microsoft Education Ambassadors for a national convention with the goal of strengthening the community, cascading the latest tools and trainings on teaching with technology, and to further equip these leaders with the proper content to be brought back to their schools and community.

At Microsoft, we value the participation of our educators at key functions such as this and would like to shoulder their **meal expenses** during the conference proper. Microsoft wishes to ensure that by paying these expenses it does not create any violation of the letter or of applicable government gifts and ethics rules at the Department of Education and or your organization. If permitted, we would be pleased to shoulder the following expenses for the attendee:

- Meals for all the attendees during the conference valued at approximately PHP 1,400/attendee.
- Microsoft Ambassador Apparel approximately valued at PHP 500/attendee.

Please note that Microsoft will not be providing any reimbursements to the participant for any other expenses related to the meeting. Accordingly, Microsoft expects that the participant or your organization will be responsible for all other expenses associated with participation or attendance (including without limitation other accommodation, surface transportation, other meals not listed above, and other incidentals (e.g., miscellaneous room charges, phone, parking, tolls, mileage, gratuities, optional hotel amenities not included in the covered room rate, etc.).

The amounts listed above give an approximate fair market value of the meals that Microsoft will provide you. Those amounts are listed for your convenience to help with any reporting requirements you may have.

Those amounts are not spending allowances. For example, if the participant chooses to skip a meal served at the event, any costs he/she incur to obtain an alternative meal will not be reimbursed.

Microsoft prohibits corruption of government officials and the payment of bribes or kickbacks of any kind, whether in dealings with public officials or individuals in the private sector. Please review our corporate Anti-Corruption policy. It is the intent of Microsoft that its assistance with travel and logistics and offering the gift items be in compliance with all applicable laws, regulations, and ethics rules regarding gifts and donations. It is also Microsoft's intent that this assistance be for the use and benefit of your organization, not the personal use or benefit of any employee of your organization. Microsoft provides this assistance with travel and logistics and offering the gift items without seeking promises or favoritism for Microsoft in any bidding arrangements. Further, no exclusivity will be expected by either party in consideration for providing this invitation. Microsoft provides this invitation with the understanding that it will not as a result of such assistance be prohibited from any procurement opportunities or be subject to any reporting requirements. Finally, acceptance imposes no obligation on your organization to acquire or use any Microsoft products or services.

Request for MOEE for travelling participants:

Should the Microsoft Education Ambassador decide to attend, may we also request the division/school/participant that other travel, accommodation and incidental expenses of the participant to be charged against school or local funds subject to the usual accounting and auditing rules and regulations of the respective offices. The full list of the invited Microsoft education ambassadors from DepEd and their corresponding offices can be seen in the **appendix** of this letter request.

Should you have questions, please do not hesitate to email us at b-grco@microsoft.com or call +63 2 860-8647

Thank you and we are looking forward to you support!

Warm regards,

Clarissa S. Segismundo
