CHIEF NURSING OFFICERS/DIRECTORS OF NURSING DEANS OF COLLEGES OF NURSING PRESIDENTS OF NURSING SPECIALTY/INTEREST GROUPS

Dear Sir/Madame:

Greetings!

We are delighted to announce the **Regional Nursing Convention & Scientific Meeting 2017** which will be held in Davao City on **September 15-16, 2017** at the Apo View Hotel, Bonifacio Street, Davao City, Philippines. Our theme this year, **"NURSES: INNOVATING & TRANSFORMING HEALTHCARE FOR ALL"** will explore where we are as a profession and how we lead and operate as teams and as individuals. We will look at the current and most vital issues nurses are facing and the creative way nurses are leading necessary reform. This will be attended by nurses from all over Mindanao, government officials and international health leaders.

In this connection, we are **INVITING YOU AND YOUR STAFF/MEMBERS** to attend this event. The Board of Directors, influenced by nursing experts, emerging innovations and the challenges inherent on health care today, endeavored to create a program specifically to meet the needs of nurses. We have requested for Official Time/Official Business to the Office of the Secretary of Health, Commission on Higher Education, Department of National Defense, Department of Education and Department of the Interior and Local Government. The 2-day convention has been applied for **PRC-CPD Credit Units**.

Regional Nursing Convention & Scientific Meeting 2017

Nurses: Innovating & Transforming Healthcare for All

Regional Nursing Convention & Scientific Meeting 2017
"Nurses: Innovating & Transforming Healthcare for All"
September 15-16, 2017 at the Apo View Hotel, Bonifacio Street, Davao City, Philippines

THE CONVENTION

The Philippine Nurses Association Davao City Chapter is pleased to present the Regional Nursing Convention and Scientific Meeting 2017 at the Apo View Hotel, Bonifacio Street, Davao City, Philippines on September 15th and 16th, *Nurses: Innovating & Transforming Healthcare for All*. During this two-day convention, we will focus on the evolving face of health care and its impact on nurses and nursing. Attention will be given to emerging innovations and trends that are in development at the national and international level. Sessions will also highlight the power nurses have on national and local policymakers.

The Philippines experienced dramatic improvements in levels of healthcare during the second half of the twentieth century. However, serious threats of irrelevance, exploitation, increasing workload and shortage of labor has greatly affected the quality of care in the practice of our profession. Through this convention, we will find a rich forum to discuss issues confronting us and learn evidence-based innovations that will deliver results-oriented patient care strategies that we can implement as we return to our practice setting. We hope you can join us as we explore the new innovations of health care.

PARTICIPANTS OF THIS CONVENTION WILL:

- Learn from highly topical sessions from local and international presenters.
- Participate in discussions on important and complex matters for nurses which highlight critical issues and the innovating trends in nursing care.
- Interact and engage in workshops with thought leaders in nursing
- Collaborate and exchange ideas with colleagues and peers from around Mindanao.
- Disseminate and implement best practices in evidence-based, optimistic, patient-centered nursing care.
