Dear Dr. Batoon:

Ametur Cor Jesu!

Cor Jesu College – Basic Education Department has been hosting leadership camps for eight consecutive years that have formed eight generations of servant leaders. To continue this legacy, the Senior Student Council (SSC) is initiating the **2nd Provincial Leadership Summit (PLS) for Junior High and Senior High School Students Leaders** with the theme: **“Building Resilience in Student Leadership”** on October 6-7, 2018. In this summit, participants are expected to:

1. Engage to the different concepts and theories of leadership;
2. Immerse in various organizational dynamics of leading and managing student organizations;
3. Formulate a proactive and attainable Action Plan through engaging discussions using different theories and models of planning;
4. Discuss among themselves various Best Features/Practices implemented in their respective schools as a benchmarking mechanism;
5. Create formal network of student leaders in this province; and
6. Be responsive in various social, political, and environmental issues of the present times.

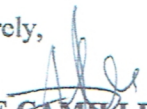

This 2nd PLS shares the vision of **His Excellency President Rodrigo Duterte**, our high school alumnus, and in the fulfillment of the thrusts of the Department of Education. This event also is in consonance with the mandated activities of the student government stipulated in *DepEd Order No. 49, s. 2011* and its Constitution and By-Laws pursuant to *DepEd Order No. 47, s. 2014* as amended by *DepEd Order No. 11, s. 2016*.

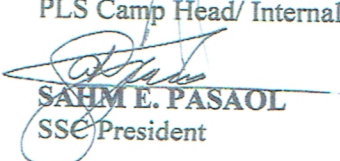

Hence, upon your approval, we would like to humbly request that the registration fee for the participants be charged from their respective **SSG Developmental Fund/local fund** subject to usual accounting and auditing rules and regulations. While the teacher-participants be given service credits in accordance with *DepEd Order No. 53, s. 2003* entitled *Updated Guidelines on the Grant of vacation Service Credits to Teachers and/or Civil Service Commission (CSC) and the Department of Budget and Management (DBM) Joint Circular No. 2, s. 2004 on Non-Monetary Remuneration for Overtime Service rendered*.

2. Immerse in various organizational dynamics of leading and managing student organizations;
3. Formulate a proactive and attainable Action Plan through engaging discussions using different theories and models of planning;
4. Discuss among themselves various Best Features/Practices implemented in their respective schools as a benchmarking mechanism;
