1. Retirement preparedness is a long-term process. There are many issues involved like health, social security, insurances, financial planning and dealing with the emotions relating to retirement. The activity will provide continuing opportunities for advancement by helping discover innovations and options that will sustain them physically, psychologically, socially and financially in their retirement life (DM 062, s. 2018).

- b. The scores for "partly yes" differ by element. For instance, the score for "partly yes" for Elements 2.0, 4.0, 5.0, 7.0, and 8.0 is "1." For elements that have two or more items or questions (such as Elements 1.0, 3.0, 6.0, and 10.0), the rating for a "partial yes" is the sum of the scores of the items or questions that fall short of the maximum "2.0."
