Ms. Winnie E. Batoon, Ed.D (OIC)

Schools Division Superintendent

Division of Digos City

Davao del Sur

Dear Ms. Batoon,

Greetings of peace!

In pursuit of the advocacy of our President & CEO, Dr. Jean Henri D. Lhuillier, of "Always Love Schooling" or the "Continuous Pursuit of Education", Cebuana Lhuillier Foundation, Inc. (CLFI) implemented the Alternative Learning Program (ALP) in partnership with the Department of Education (DepEd), through a Memorandum of Agreement (MOA) dated November 15, 2013. Under said MOA, DepEd agreed to provide the engines of the Program (the teachers and other academic personnel) and CLFI agreed to provide the fuel (amount of Php 125,000 per ALS Center for the purchase of teaching equipment and reproduction of learning modules). The goal was to help out-of-school youth and adult learners pass the Accreditation and Equivalency Test (A&ET) for them to be considered as graduates of elementary and high school. To date, CLFI has already established 75 ALS Community Learning Centers nationwide.

This year, we opted to intensify our program thru the recognition program called **NALSTAR (National ALS Teachers' Achievements Recognition)** and **CEBUANAS (Cebuana's Extraordinary Bastion of Unconventional And New Approaches or Strategies)**. The awards program aims to (1) give due honor and national recognition to the ALS teachers as a noble professional by recognizing his/her exemplary performance, dedication and outstanding achievements in the promotion of literacy among the deprived, depressed and underserved populace; (2) promote best practices to maximize the number

of registration of ALS learners and the passers in the A&ET and the highest average passing ratings and passing percentage; and (3) provide the ALS learners with additional empowering learning in the five important fields of knowledge, consisting of (1) Livelihood; (2) Financial Literacy; (3) Disaster Resilience; (4) ICT Competitiveness and; (5) Sports Development.

With that being said, we would like to inform your Division that **Ms. Cheery Lyn N. Nemis**, our DALC in Don Mariano Marcos Elementary School ALS CLC, Digos City Davao del Sur is our 1st CABUANAS Winner. Miss Nemis is very much consistent in forwarding the comprehensive reports from 2017-18, she also did some remarkable activities that encouraged the learners to stay and wait for the postponement of ALS A&ET.

- Monthly reports: Complete reports (narrative and learners database) 2017 to 2018
- 2017 = 78% (69 takers, 54 passers)
- 2018 Learners: 126

May we please invite her to the awarding ceremony to be held in Supreme Hotel, Baguio City on September 6, 2018 coinciding the awarding of the highest award on literacy facilitated by the Literacy Coordinating Council, Cebuana Lhuillier being the benefactor of the said award giving body.

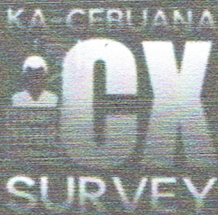

We will coordinate with Miss Nemis on her transpo et al going here in Makati.

We would like to thank you for all the support you provided to Cebuana Lhuillier and to our ALS Learners to help alleviate poverty through education.

Thank you and God bless.
