This training provides the context by which teachers, who are mostly women, are equipped with contextualization skills and, through their output, produce a compendium of contextualized materials.

2. The objectives of the workshop are the following:
 - a. To enhance the national curriculum in relation to the community life cycle while recognizing appropriate scope and sequence of competencies;
 - b. To inter-relate the competencies specified in the national curriculum with community competencies in enhancing the curriculum and the teaching-learning process;
 - c. To recognize the community as the wider space, environment, and resource of learning; and;
 - d. To incorporate the community's narratives of local and national history and contemporary issues and concerns confronted by the IPs both male and female (Thus, the participation of the IP elders, and other culture-bearers during the training).
3. Participants to the training are listed in the enclosure (see attached list). DepEd employees shall receive one compensatory overtime credit (for non-teaching) and one service credit (for teachers) for service rendered on Saturday, September 15, 2018.
4. The training-workshop shall be conducted at Crisbelle Hotel on September 14-15, 2018. Program shall start at 8:30 in the morning.
