Dear RTCs, DTCs, and PSSs,

Attached herewith are the list of sampled schools for various exit assessments with the following schedule of test administration:

Test	Date
ELNA	October 10, 2018
NATG6	September 27, 2018
NATG10	September 25, 2018

In the case that sampled schools has no enrollment data, the Schools Division Offices are authorized to replace the sampled schools with the same type of schools. For instance (for NATG10), a sampled public school without Grade 11 students must be replaced by another public school with Grade 11 students with similar number of students (equal or lower number of students vs the allocation).

For your information. Thank you very much.
