Digos City

Dear Sir;

Warm and healthy greetings!

We are pleased to inform you that the City of Digos is focused on eliminating Schistosomiasis as a Public Health problem. One of the effective key strategies is the active participation of the various stakeholders.

The City Health of Digos in coordination with the Department of Health will conduct a **Multi-Stakeholder's Meeting on Schistosomiasis Control and Elimination Program**. The activity will be held in Crisbelle Hotel, Digos City on October 5, 2018 at 8:30 A.M.

In this regard, we would like to invite the following **School Principals** and **School Clinic-in-Charge** of:

- Saplala Elementary School ✓
- Matti High School Annex ✓
- Igpit Elementary School ✓
- Igpit High School Annex ✓
- Bagumbuhay Elementary School ✓
- Colorado Elementary School ✓

to participate in this activity. We are confident that together we can achieve our goal. Thank you very much for your continued support.

Your favourable action in this matter will be highly appreciated. May God continue to bless you generously.

Very Truly Yours,

MILAGROS R. SUNGA, MD

WINNIE E. BATOON, ED.D.

Officer-in-charge

Schools Division Superintendent

Digos City

Dear Sir;

Warm and healthy greetings!

We heartily appreciate your valuable support in the last years for working with us in our fight to eliminate Schistosomiasis as a public health problem in our locality. Our fruitful partnership with you provides a healthful advantage of having zero morbidity case of Schistosomiasis on the three identified Schistosomiasis-endemic barangays of our City (Matti, Igpit, Colorado) for the past years. With this achievement, we are hopeful that we can sustain another year leading to the final declaration of Digos as a Schistosomiasis-free City.

In this regard, we would like to invite of your **Officer-In-Charge of the Health and Nutrition Section, Jasmine A. Asarak, MD and two (2) DepEd Nurses namely Daisy Jane P. Sanoy, RN and Hazel Marie L. Escabillas, RN** to participate in this activity. In this meeting, we will review the accomplishment of Mass Drug Administration together with the mop-up conducted and in preparing for January 2019 School Based Deworming on our three (3) endemic Barangays.

Your favorable action in this matter will be highly appreciated. May God continue to bless you generously.

Very Truly Yours,

MILAGROS R. SUNGA, MD
