Thus, technical assistance to teachers as to the following is hoped to be provided: contextualization, and use of thematic approach, integration, constructivism, differentiated activities, and development of HOTS.
4. School Heads, PSDS and EPS are also reminded to review thoroughly the PPST-COT as the tool used in observing classes to strengthen their understanding on connections between the COT and the topics discussed in the aforementioned K to 12 Training.
5. Likewise, it is expected that EPS, PSDS and School Heads will attend the flag ceremony and bring their respective "baon" for lunch.
6. Travel expenses relative to the conduct of the said activity are chargeable against division/school MOOE funds subject to the usual government accounting and auditing rules and regulations.
