TECH4ED CONFERENCE

ENABLING, EMPOWERING AND TRANSFORMING COMMUNITIES

15 NOVEMBER 2018 | ROYAL MANDAYA HOTEL, DAVAO CITY

TECH4ED CONFERENCE

DICT- MINDANAO CLUSTER 3
THE ROYAL MANDAYA HOTEL | 15 NOVEMBER 2018

Community centers and knowledge workers contributed greatly in the nation building by ensuring an efficient delivery of crucial government and Information and Communications (ICT) services especially in the countryside.

The Department of Information and Communications Technology (DICT) recognizes that the advancement of digital technologies and ICT-enabled services can allow the communities to leapfrog towards a more progressive and digitally empowered society.

In line with this, DICT Tech4ED Project will host this year's Tech4ED Conference with the theme "Enabling, Empowering and Transforming Communities". The conference shall serve as a venue for dynamic discussions among knowledge workers and development partners on new strategies and emerging ideas in the field of ICT and public services that are central to countryside development.

Provide updates, accomplishments and plans of the Tech4ED Project

Sharing of best practices and initiatives in advancing ICT in the community

Discuss new development, services and opportunities from the Tech4ED project

Espouse networking and strengthen collaborations among partners from the public and private sectors

The event will have several interactive sessions including presentations, panel discussions and networking opportunities. Participants will be able to discuss new strategies and emergent ideas, share best practice, and network with all development partners from across the region.
