ADVISORY  
No. 131 s. 2018

2<sup>nd</sup> NATIONAL MULTIDISCIPLINARY RESEARCH CONVENTION

TO : SCHOOLS DIVISION SUPERINTENDENTS

DATE : November 26, 2018

This advisory is issued for the information of Schools Division Superintendents on the invitation letter from Dr. Lyndon F. Devero, Dean of College, Philippine Women's College of Davao, University Ave., Juna Subd, Matina, Davao City, Philippines regarding the request for an endorsement of their 2<sup>nd</sup> National Multidisciplinary Research Convention stated in the attached letter.

Participation in the said research conference maybe allowed but on personal time only and expenses shall be borne by the teacher-attendees. Further, it must be ensured that no-disruption of classes as stipulated in DepEd Order No. 9, s. 2005 shall be strictly observed if the schedule falls on the regular school days.

Dear Atty. Escobarte:

Greetings from Philippine Women's College of Davao!

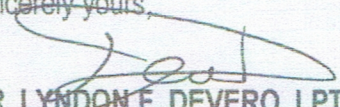

The Philippine Women's College of Davao will once again conduct its **2<sup>nd</sup> National Multidisciplinary Research Convention on January 24, 2019 (Thursday) from 8:00 AM until 5:00 PM at the RSM Events Center, Philippine Women's College of Davao, University Avenue, Juna Subd., Matina Davao City.** With its theme "Enhancing Research of HEIs: Pushing the Frontiers of Knowledge across Higher Education Discipline in the Country for National Development," the participants will be able to (1) present their research in a public forum; (2) share their insights and expertise in research; (3) realize the role of the research in the community; (4) benchmark with the other research experts for possible research agenda; (5) enhance instruction through original contributions in specialized disciplines thereby encouraging students to become themselves creative, innovative and productive individuals, and (6) develop unifying theories or models which can be translated into mature technologies for the purpose of improving the quality of life of the Filipinos within the sphere of influence of academic institutions in the country; (7) publish their studies.

This convention will be participated by student and faculty researchers of the different schools, colleges and universities in the Philippines. This convention will include researches which are related to: 1.) Social Science; 2.) Health and Science; 3.) Business Management, Information Technology, Arts and Design; 4.) Maritime and Aviation, Engineering and Architecture; 5.) Teacher Education, Philosophy and Psychology. Registration fee for the presenters is one thousand pesos (P 1,000.00) for student category and one thousand five hundred pesos (P1, 500.00) for faculty category inclusive of AM/PM snacks, lunch meal and certificates. For research participants, registration fee is seven hundred fifty pesos (P 750.00) inclusive of AM/PM snacks, lunch and certificates.

Attached is the tentative program, registration guidelines, mechanics for poster and oral presentations and judging rubrics for the information and guidance of all convention participants. For advance registration and further inquiries regarding the convention, they may contact Dr. Lyndon F. Devero, Dean of College, Philippine Women's College of Davao at these numbers: Mobile: 0923-195-7520 (sun); Landline # 297-8035 local 155.

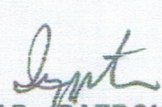

We are requesting for your favorable endorsement of the said activity to all Basic Education Institutions in Region XI.

Sincerely yours,

  
**DR. LYNDON F. DEVERO, LPT, FRIEdr**

Dean of College

### 2<sup>nd</sup> NATIONAL MULTIDISCIPLINARY RESEARCH CONVENTION

January 24, 2019 (Thursday); 8:00 AM

RSM Events Center, Philippine Women's College of Davao

University Avenue, Juna Subd., Matina Davao City.

Theme:

*"Transcending Boundaries: Multidisciplinary Research  
as an Innovative Lens for National Integration"*

#### REGISTRATION GUIDELINES

1. Application is open to all student and faculty researchers within the Philippines.
2. Registration fee for the presenters is one thousand pesos (P 1,000.00) for student category and one thousand five hundred pesos (P1, 500.00) for faculty category to cover expenses for keynote speakers' honorarium, adjudicators' professional fee, snack and lunch meal, certificates and other operational expenses. For research participants, registration fee is seven hundred fifty pesos (P 750.00) inclusive of AM/PM snacks and lunch.
3. Deadline of submission of the Research Paper in AIMRAD format will be on December 22, 2018 (Saturday). The paper must contain the following sections: Abstract should be not more than 250 words written in the structured format, Background, Objectives, Materials and Methods, Results, Discussion or in AIMRAD format. The document must be submitted in PDF file through [Feardevil\\_2000@yahoo.com](mailto:Feardevil_2000@yahoo.com). The following personal details is also necessary during the submission:
  - ✓ Full name of the researcher/s and presenter
  - ✓ School and school address
  - ✓ Contact number/s of the presenter
  - ✓ Email Address
4. Once the paper is eligible for the competition, the committee will send communication of confirmation through email together with the details of the registration.
5. The research paper must be original and the researcher/s and/or presenter should be the primary author/s.
6. The researcher/s can submit more than one research paper provided that each paper has a different presenter. A representative can also be an author of multiple research paper provided that s/he represents only one paper during the poster and oral presentation.
7. Any research that has been published or is currently being reviewed for publication in any local or international journal is ineligible for the contest.

#### MECHANICS FOR POSTER AND ORAL PRESENTATION

1. Poster and Oral Presentation will be done on January 24, 2019 (Thursday) at the RSM Events Center, Philippine Women's College of Davao, University Avenue, Juna Subd., Matina, Davao City.

2. For the **Poster Presentation**, the participant needs to prepare a 3X5 size tarpaulin in portrait layout containing the title, research objectives, method, results and discussions. During the gallery walk, the researcher needs to stand beside their poster for clarificatory questions from the adjudicators. At the top part of the tarpaulin, the research title, name/s of the researcher/s and the name of the school must be written.
3. For the **Oral Presentation**, each presenter will be given a total of ten minutes in which seven minutes is allotted to the presentation of the salient points of the paper and the other three minutes for clarificatory questions for the panel of adjudicators. The allotted time must be observed properly. The moderator will interrupt the presentation if the presenter exceeded in time.
4. The presenter must use power point (saved as 2003 MS powerpoint document) during the presentation with a maximum of 20 slides only. Slides must be readable from at least 30 feet.
5. Only one presenter is allowed during the presentation. The presenter must be in corporate attire.
6. The panel of adjudicators may ask clarificatory questions to the presenter after the oral presentation.
7. The structure of the oral presentation should only be limited to brief discussion which contains the following:
  - ✓ Brief Introduction which must set the context, help define the problem and its significance and present the hypothesis/es
  - ✓ Methodology which must be concised or use flow chart/diagram)
  - ✓ Results and Discussion which must include critical analysis/evaluation of evidence
  - ✓ Conclusion and Recommendation
8. The names of the authors and the institution represented must be placed at the end of the presentation.
9. The medium of communication is English except for necessary vernacular findings which should have English translations.
10. A Certificate of Recognition will be given to the researcher/s at the end of the convention. Each plenary will declare First, Second and Third Place in the Poster Presentation Oral Presentation.

### SCORING RUBRIC

| Criteria                                         | Description                                                                                                                                                          | Total Points | Score |
|--------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|-------|
| <b>Content</b><br>(35 points)                    | Introduction is attention-getting, lays out the problem well, and establishes a framework for the rest of the presentation.                                          | 5            |       |
|                                                  | Technical terms are well-defined in language appropriate for the target audience.                                                                                    | 5            |       |
|                                                  | Presentation contains accurate information.                                                                                                                          | 10           |       |
|                                                  | Material included is relevant to the overall message/purpose and appropriate amount of material is prepared, and points made reflect well their relative importance. | 10           |       |
|                                                  | The closing provides a thorough summary of all of the major points. There is a conclusion summarizing the presentation and a recommendation presented.               | 5            |       |
| <b>Organization and Mechanics</b><br>(15 points) | The introduction captures audience attention and gives a clear statement of purpose. The type of presentation is appropriate for the topic and audience.             | 5            |       |
|                                                  | The main part of the presentation is well organized, sequential, and well supported by details. Information is presented in a logical sequence.                      | 5            |       |
|                                                  | Presentation appropriately cites requisite number of references.                                                                                                     | 5            |       |
| <b>Presentation</b><br>(35 points)               | Speaker maintains good eye contact with the audience and uses physical gesture and facial expression which conveys energy and enthusiasm.                            | 5            |       |
|                                                  | Speaker conveys confidence in talking about the topic and uses a clear, audible voice.                                                                               | 5            |       |
|                                                  | Delivery is poised, controlled, and smooth.                                                                                                                          | 5            |       |
|                                                  | Good language skills and pronunciation are used.                                                                                                                     | 5            |       |
|                                                  | Length of presentation is within the assigned time limits.                                                                                                           | 5            |       |
|                                                  | Information was well communicated.                                                                                                                                   | 10           |       |
| <b>Visual Support</b><br>(15 points)             | The text is readable and clear and the graphs/figures are clear and understandable.                                                                                  | 5            |       |
|                                                  | Visual components support the main points of the talk                                                                                                                | 5            |       |
|                                                  | Visual aids are well prepared, informative, effective, and not distracting.                                                                                          | 5            |       |
| <b>Score</b>                                     | <b>Total Points</b>                                                                                                                                                  | <b>100</b>   |       |
