Dear Atty. Escobarte:

Greetings!

The Philippine Association of Food Technologists' Inc., Lambda Chapter (PAFT - Λ) is a duly recognized course based organization in the University of the Philippines Mindanao which aims to promote the significance of Food Technology as a science in the development of the food industry as well as the community as a whole.

Panagtigiay, being the highlight activity of PAFT - Λ, was recognized as the **Most Outstanding Student Organization Activity** from the year 2014-2017 by the Office of Student Affairs in the University of the Philippines Mindanao. This event aims to establish linkages to different schools by gathering brilliant student across the Davao Region. This is also an avenue for the promotion of the University of the Philippines Mindanao as well as the BS Food Technology program.

PAFT - Λ would like to ask permission from your good office that **PANAGTIGIAY 2019**, a yearly region-wide inter-high school quiz bowl and poster making contest will be conducted on **February 11, 2019 8:30 am at Abreeza Mall Activity Center, Davao City**. With this, we humbly request a memorandum from your office so as to give assurance to the participating schools that this event is approved by the Department of Education.

Attached herewith are the guidelines and mechanics about the said event.

Your office can contact us through this cell phone numbers: **09283072502/09770716630** or in our email **wearepaftlambda@gmail.com** for any clarifications or queries about the event. We are hoping for your positive response. Thank you very much.

Round	Number of questions	Time Allotted	Corresponding points
Easy	15	10 seconds	1 point
Average	15	20 seconds	3 points
Difficult	10	30 seconds	5 points

- The table above shows the number of questions, time allotted and corresponding points for each round.
- All teams are to participate in the Easy and Average round.
- After the Average round, only the top five teams shall proceed to the Difficult round.
- However, all teams are required to stay until the announcement of winners.
- Determination of the qualifying teams shall be done jointly by the judges and the organizing committee.
- Basis for winners shall be the cumulative points garnered by each team from all the rounds.

Answering Mechanics

- A white board, marker and eraser will be provided to the participants. Clean sheets of paper and pens shall be provided for questions requiring mathematical solving. However, each team must bring their own scientific calculator.
- Participants are only allowed to write their answers after the quizmaster says "Go". Any team caught writing before this shall forfeit their chance to answer the present question.
- Answers must be written legibly on the white board.
- Only complete answers will merit full credit. Incomplete and wrongly spelt answers shall be considered wrong answers.
- Should a question require a scientific name, only an answer that is written correctly shall be considered as correct answer.
- Participants must stop writing upon announcement of the quizmaster. A violation shall invalidate any answers for the present question.
- All teams shall raise their illustration boards with or without answer when the quizmaster announces "Boards up please".

Protest Mechanics

- A protest may be raised by any participant.
- All protests shall be forwarded to the judges for decision.
- During the protest, the contestant has the privilege of consulting any reference, provided they are relevant to the subject of the protest.
- Protests regarding a particular question will be entertained only before the next question is read.
