A MAPUA SCHOOL

6 October 2018

**ATTY. ALBERTO T. ESCOBARTE, CESO IV**  
Regional Director  
Department of Education-Region XI

Dear Director Escobarte,

Greetings from Malayan Colleges Mindanao!

Mapúa University just recently launched the program called "STEMteach" which intends to provide SHS teachers handling Math and Science subject opportunities to receive online professional training free of charge. The program offers interactive self-paced, cloud-based learning modules covering a variety of topics in Math and Science developed by expert educational practitioners. The modules will provide SHS teachers with practical training that can be implemented in their classrooms.

We are exploring the possibility of extending program to the SHS teachers in Mindanao through our campus in Davao City, the Malayan Colleges Mindanao.

In line with this, we would like to request for a meeting with you to discuss the training needs of SHS STEM teachers in Davao and to determine how STEMteach can address these needs. Dr. Reynaldo B. Veja, our President and Chief Executive Office, will be in Davao on October 16, 2018 and hope to visit at your convenient time in the morning.

Very truly yours,

**DODJIE S. MAESTRECAMPO**
