The cost per learner of these courses are subsidized by SEAMEO INNOTECH, thus the cost is at a 75% discount. The implementation is pre-arranged per batch (e.g. a batch of X number of learners from a particular Division or Region). The Teach On: Keeping the Passion Alive MOOC is free.

We therefore encourage your Division Office to form groups of learners (a batch) who will undergo any of the courses.

For more information on the courses, please feel free to contact our online Course Manager, Mr. Juan Robertino "Robbie" Macalde, Senior Specialist of Flexible Learning Solutions. You may reach him by email at robbie@seameo-innotech.org or by landline at +02 9247681 local 182.
