1. Pursuant to Section 12 of the Republic Act 10612 otherwise known as "**Fast-tracked Science and Technology Scholarship Act of 2013**", the Department of Education through the Teacher Education Council (TEC) in partnership with the Philippine Normal University (PNU) is currently conducting an online training for newly-hired teachers (DOST Scholars under RA 10612).
2. The PNU as the National Center for Teacher Education and service provider has conducted series of face-to-face orientation in all the regions on the online training which was participated in by newly-hired teachers (DOST Scholars under RA 10612). Through this online training, newly-hired teachers will be credited 18 units for them to qualify to take the Board Licensure Examinations for Teachers (*for non-BLEPT passers*) or they will be given Continuing Professional Development (CPD) Credit Units (*for BLEPT passers*).
3. The TEC, DOST, and PNU conducted a meeting on the status of the said online training. Out of 675 who were in the master list, only 549 attended or 81 % attended the face-to-face orientation. Sixty (60) teachers who were not in the list, but showed proof that they are scholars of RA 10612 came to the orientation. A total of 609 teachers are expected to attend the online training. Based on the progress report presented by the service provider, only 469 out of 609 or 77% of newly-hired teachers are active in the online training. Due to the given participation rate, DepEd, together with our
