Dear Regional Director Escobarte,

The Education Research Program (ERP) of the University of the Philippines Center for Integrative and Development Studies (UP-CIDS) is dedicated to the promotion of rigorous scholarship in the field of education. This year, ERP is investigating how school learning action cell (LAC) sessions would impact on improving teachers' knowledge, attitudes, and competencies in teaching Grade 6 Science.

As part of the study, we will conduct an online survey from February 7-28, 2019. This survey aims to identify the areas of the Grade 6 Science curriculum that they would need assistance in as well as the challenges they face in teaching this subject. The identified challenges will then be addressed through the LAC sessions.

In this regard, we would like to request your help in disseminating this survey to your Grade 6 Science teachers. Kindly inform them that they can access the survey at:

Dear Ma'am Janette,

Kumusta po?

We would like your help in encouraging Grade 6 Science teachers in your region to participate in a survey regarding areas in the Science curriculum that they find difficult or a challenge in teaching. Please find below RD Escobarte's email agreeing to support our request and to coordinate with you po.
Thanks po.

:) cynthia
