Dear **DR. BATOON:**

Greetings!

The A&A Knowledge Base Research Consultancy and Training Inc. will hold the 2nd International Seminar-Workshop on Participatory Action Research (*with CPD credits*) on May 21-22, 2019 at the City State Asturias Hotel, Puerto Princesa City, Palawan. This seminar-workshop primarily aims to empower education leaders to effect positive social change through systematic investigation of educational practices and procedures. Further, it envisions to provide education professionals with the opportunity to undergo the cycle of recognizing dissatisfaction with the learning circumstances within a unit in the education system, formulating and testing improvement theories, and gaining insights towards developing a reflective practice and effecting positive social change.

Anent to this, we would like to invite the division research personnel, district supervisors, principals, and master teachers to attend this event. Prof. Mary Brydon-Miller, a globally acclaimed participatory action researcher and co-editor of the Sage Encyclopedia of Action Research will personally handle the sessions in this seminar-workshop. She will be assisted by Prof. Bronwyn Williams, an expert on multicultural pedagogies, and Prof. Maricar Prudente of De La Salle University Manila, a multi-awarded researcher. Likewise, we would like to request that participants from your division be allowed to attend on official business. Rest assured that this program was carefully crafted to enable education leaders to translate "improvement" in educational systems into institutional programs and decisions that uphold social justice through quality, relevant, and inclusive education. Please see attached the program, registration process, and schedule of fees.

Finally, we look forward to having your division represented in this seminar-workshop. For questions and concerns, please contact the secretariat at trainings@anakbase.org or through our mobile numbers 09177102423 (Globe) and 09479926385 (Smart).

Thank you.

Sincerely,

SOCORRO E. AGUJA
