Dear **Director Escobarte**:

Greetings!

One of the convergent programs of the human development and poverty reduction (HDPR) cluster of the cabinet, as a response to the prevalent issue of high incidence of youth unemployment in the country, is the Career Guidance Advocacy Program (CGAP). This program aims to immerse the guidance counselors, teachers, and the students on the realities of the labor market and to help particularly the youth in acquiring the skills which the industry is looking for in a potential worker.

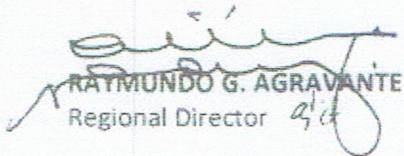

To implement more effectively this program as to match the supply and demand of the labor market, may we request from your good office the total number of graduating students of Junior and Senior High School in Davao Region this school year 2018-2019 both in Public and Private Schools. It would be best that the data will be segregated per division so we could monitor them more clearly.

This will truly help us in the implementation of the Career Guidance Advocacy Program this year especially to the career coaching that we are conducting for the graduating students.

Kindly send us through email the data of the number of graduating students per division in case it is already available at dole11employmentmentunit@gmail.com. For more queries, your staff may contact Mr. Dan Louie D. Mejos through telephone number (082) 227-1472.

Thank you and looking for your positive response.

Very truly yours,

RATMUNDO G. AGRAVANTE
Regional Director
