At Microsoft, we value the participation of our educators at key functions such as this and would like to shoulder their training content and meal expenses.

Microsoft wishes to ensure that by paying these expenses it does not create any violation of the letter or of applicable government gifts and ethics rules at the Department of Education. If permitted, we would be pleased to shoulder the following expenses for the attendee:

- * Training meals for all the attendees from May 21 to 23, 2018 valued at max of PHP 900 /day/attendee that include morning snacks, lunch, and afternoon snacks.

Please note that Microsoft will not be providing any reimbursements to the participant for any expenses related to the meeting. Accordingly, Microsoft expects that the participant or your organization will be responsible for all other expenses associated with participation or attendance (including without limitation other surface transportation, other meals not listed above, and other incidentals (e.g., miscellaneous room charges, phone, parking, tolls, mileage, gratuities, optional hotel amenities not included in the covered room rate, etc.).

The amounts listed above give an approximate fair market value of the meals and lodging that Microsoft will provide you. Those amounts are listed for your convenience to help with any reporting requirements you may have. Those amounts are not spending allowances. For example, if the participant chooses to skip a meal served at the event, any costs he/she incur to obtain an alternative meal will not be reimbursed.

It is the intent of Microsoft that payment of these expenses is compliant with all applicable laws, regulations and ethics rules regarding gifts and donations. Microsoft pays these expenses without seeking promises or favoritism for Microsoft in any bidding arrangements. Further, no exclusivity will be expected by either party. Microsoft pays these expenses with the understanding that it will not be prohibited from any procurement opportunities. Finally, your acceptance imposes no obligation on your organization to acquire or use any Microsoft product or service.

Thank you and we are looking forward to your support in helping us empower more educators and schools in the Philippines. For any questions, please email us at b-grco@microsoft.com.

Yours in Education
