Herewith is a letter from Director Annabelle P. Yumang, MD, MCH, CESO IV, Regional Director, Department of Health Region XI, that the National Immunization Program has been one of the frontline programs in safeguarding children and adults against vaccine-preventable diseases (VPDs). The provision of free vaccines for infants has been strongly implemented ever since, however, the protection provided by some of these vaccines will decline over time and booster doses are required to ensure that the high levels of protection are maintained. One component in the comprehensive strategy in the prevention of VPDs is to conduct a school-based immunization activity every august.

In this regard, this Office would like to invite the School Division Superintendent and Nurse in each Division to attend the School-based Immunization Consultative Meeting and Evaluation on Measles Mass Immunization Campaign. Schedule of activity and program details is attached to this Memorandum.

Travel shall be charged to local funds subject to usual accounting and auditing rules and regulation.

For further inquiry please contact Dr. Janis V. Olavides, Regional NIP Manager with Mobile number 09257403313.

Immediate and wide dissemination of this Memorandum is desired.

Dear Atty. Escobarte:

Greetings of Peace!

The National Immunization Program has been one of the frontline programs in safeguarding children and adults against vaccine-preventable diseases (VPDs). The provision of free vaccines for infants has been strongly implemented ever since, however, the protection provided by some of these vaccines will decline over time and booster doses are required to ensure that high levels of protection are maintained.

As one component in the comprehensive strategy in the prevention of VPDs, we, together with the Department of Education conduct the school-based immunization activity every August. In this regard, we would like to invite the **School Division Superintendent and per division school nurse** to join us in the conduct of the activity, with the following schedule and program details attached in this letter.

Meals, venue, board and lodging will be shouldered by the Regional Office while travel expenses will be from the sending agency.

Should you have further inquiry please contact **Dr. Janis V. Olavides**, Regional NIP Manager with mobile number 09257403313.

We hope for your cooperation and support.

Respectfully yours,

ANNABELLE P. YUMANG, MD, MCH, CESO IV
