DIVISION MEMORANDUM

June 24, 2019

No. 448 s. 2019

Weekly Iron Folic Acid (WIFA) Administration

TO: Division Health Personnel
 Secondary Public Schools District Supervisors
 ALS Education Program Supervisor
 Secondary Schools Administrator
 Senior High School Administrators

1. In reference to the letter of **EVELYN R. FETALVERO, CESO V** Schools Division Superintendent Officer-In-Charge Office of the Regional Director, informing the Secondary Public Schools and Senior High School including the Alternative Learning System based on DO.no.59, s, 2017 that all female public school learners will be given an iron supplementation and this activity will be implemented on July 09, 2019.
2. The WIFA administration aims to:
 - a. decrease rate of anemia to all secondary female public school learners;
 - b. improve iron status of all secondary female school learners;
3. The schools are advised to prepare a master list of the secondary and senior High School female learners, "No parents consent no WIFA administration".
4. The students are advised to have a heavy meal before the drug intake of the iron Supplementation.
5. Please be informed that during the Launching of the WIFA administration the Division Health personnel will conduct and implement the Iron supplementation assisted by the school clinic in-charge.
6. Attached is the list of the following health personnel assigned to the different secondary schools during the WIFA administration.
7. Travel and other incidental expenses to the attendance of the health personnel shall be charged to local funds subject to the usual accounting and auditing rules and regulations.

For information and compliance.

Please be informed that the Department of Health is ready to expand the Weekly Iron Folic Acid (WIFA) Supplementation to include grades 11 and 12 female learners. The delivery of the supplements are ongoing and it is requested that the division focal person to coordinate with the Provincial/City/Municipal Health Office for the supplies.

Please be reminded that the first dose will start on July to September, 2019 and the report is due on October 23, 2019. The 2nd dose will be on January to March, 2020 and the report is due on April 27, 2020 using the prescribed template.

For your compliance.
