MADAM

Greetings!

Human rights are universal legal guarantees protecting individual and group against actions and omissions that interfere with fundamental freedoms, entitlement and human dignity. The youth of today have much to offer. By ensuring that human right issues remain on the political agenda, by generating public opinion, and by promoting human rights education, they can create an atmosphere or respect for human rights. The Society for Management Assistance of Professional Educators and Youth Related issues in Training, Education and Resources – SMARTER Philippines Inc. and the National Association of UNESCO Clubs in the Philippines continued to initiate programs promoting the culture of peace, tolerance and human rights directly targeting the youth and educator sector as beneficiaries especially when the UN Millennium Development Goal was signed in the year 2000.

The training aims to educate the participants on basic meaning and principles of human rights; familiarize and equip with knowledge on the rights as youth; the concepts of rights advocacy and meaning of violation rights; the importance of asserting one's rights as compared to a passive and complacent citizen; and encourage youth participation in the advocacy of human rights within their communities, schools and organization.

The Society for Management Assistance of Professional Educators and Youth Related issues Training, Education and Resources (SMARTER) Philippines, Inc. in cooperation Department of Education will hold a **3 - day National Youth and Educators Development Training on Human Rights with the theme: "Working together to Protect Human Dignity for AIP"**.

Participants are the Supreme Student / Pupil Government Officers and Advisers, Senior High School Students, Classroom Organizations, Clubs, Teacher-adviser, Araling Panlipunan Coordinators, Division Youth Coordinator and Sanggunian Kabataan Officials (SK Officials).

In view of the above, we would like to ask for your help in disseminating information through advisory within your area of jurisdiction. We hope that you can help us reach more teachers and student leaders who can further improve their knowledge, skills and attitude through our training.

The registration and traveling expenses of the participants are chargeable against SSG / SPG funds, local funds, canteen funds or MOOE, and sponsorship from private entities and individuals, subject to availability of funds and usual accounting and auditing rules and regulation.
