Dear Atty. EscobarTE:

Greetings!

Our sincere gratitude for supporting the recently concluded 15th Word Cup in Manila where **11 delegates** from Region XI participated and were recognized in their respective categories. It is the time of the year that campus journalists and school paper advisers are gearing up to showcase their writing, photojournalism and broadcasting talents. We therefore offer a more in-depth approach in our masterclass which shall highlight their ability to write and create winning entries for your region.

We believe that an authentic journalism workshop is the most effective way to impart working knowledge in journalism. We provided teachers and campus journalists authentic training by having **270 Word Cup** participants experience working side by side with media professionals in the live coverage of **seven events**: the **Asian Obstacle Course Racing Championships** back to back with the **ASEAN Para Obstacle Course Racing Championships** at the Quirino Grandstand and the **National Milo Marathon** at the Mall of Asia; the **Pencak Silat** demonstration at Bayview Park Hotel; the press briefings on: **Toward a Livable City: Balancing Environment and Development in the Metropolis** held in Las Pina-Paranaque Critical Habitat and Ecotourism Area; **The Philippine Cinema's Centennial: Quo Vadis?** and the **Philippines Global Initiative to Decongest Cities in GSIS**.

We're sharing with you the Aug. 1, 2019 release of Manila Bulletin which published Word Cup participants' coverage of the Las Pina-Paranaque Critical Habitat and Ecotourism Area. The first Masterclass output was published May 30 which featured the Boracay rehabilitation. Your students and teachers may get published again in the next Masterclass.

More than learning by doing, we ensured that we give feedback to the work of our participants through the insightful critiquing of their outputs from our **17 resource persons**. Along with the training, we also have a **national level contest or evaluation**.

Experience the only authentic journalism training workshop in the Philippines and Asia. Only here at Word Cup!

You hold the key to unlock the vast potential of your school paper advisers and student journalists. Let us help you bridge the gap between the classroom and mainstream journalism by immersing them in our workshops through an **advisory/memorandum** on this activity. Rest assured that the safety of our participants are of utmost importance; we coordinate our activities with the host local government.

We look forward to your favorable accommodation of this request. For further inquiries, I may be reached through mobile numbers 0915.960.7268 or 0933.821.4079. You can know more about us on our website www.wordcup.com.ph and our Facebook account Word Cup Associated Editors.

Thank you and more power!

Sincerely yours,
