SUBJECT: **14th National Convention on Statistics – October 1-3, 2019**

Dear Director Fetalvero:

Greetings!

In October 2019, the Philippine Statistics Authority (PSA) will spearhead the conduct of the 14th National Convention on Statistics (NCS) which will coincide with the celebration of the 30th National Statistics Month (NSM). The NSM is an annual celebration of the Philippine Statistical System (PSS) in accordance with Presidential Proclamation No. 647, s. 1990, "Declaring the Month of October of Every Year as the National Statistics Month."

The NCS is a triennial activity of the PSS which aims to: (1) provide a forum for exchanging ideas and experiences in the field of statistics and for discussing recent statistical development and prevailing issues and problems of the PSS; and (2) elicit the cooperation and support of statisticians and professionals in related fields from the government, academe, and private sector towards a more responsive statistical system.

Through the years, the NSM and NCS have continuously succeeded in promoting, enhancing and instilling awareness and appreciation of the importance and value of statistics to the different sectors of society. The joint opening ceremony will be held on 01 October 2019. This year's simultaneous celebration will carry the theme, "**Data Innovation: Key to a Better Nation**," highlighting the role of data innovation in providing quality statistics that will measure the nation's progress in achieving national development goals.

It is with pleasure, that the PSA invites the **Department of Education** to the 14th NCS which will be held on **01 to 03 October 2019** at the Crowne Plaza Manila Galleria, Ortigas Avenue corner Asian Development Bank Avenue, Quezon City. Your participation will greatly contribute in the appreciation of statistics as an aid for business research and analysis, and indispensable tool for government policy- and decision-making.

The Convention features plenary sessions, invited/contributed paper sessions, poster sessions, panel discussions, statistics trainings/seminars, and the Statistical Information Management Exhibit (SIMEx). The event is participated by statisticians, statistical practitioners, academicians, researchers, students, development partners and media.

NATIONAL CONVENTION ON STATISTICS

01-03 OCTOBER 2019 | Crowne Plaza Manila Galleria

Innovate
Collaborate
Communicate

Bulletin No. 2
Call for Participants
June 2019

Organized by the Philippine Statistical System
Spearheaded by the Philippine Statistics Authority

Invitation

The Philippine Statistics Authority (PSA) now accepts registration of participants to the 14th National Convention on Statistics (NCS) to be held on 01-03 October 2019 at the Crowne Plaza Manila Galleria in Ortigas Ave. cor. Asian Development Bank Ave., Quezon City.

About the Convention

The NCS, a triennial activity, is the country's biggest gathering of statisticians, statistical practitioners, academicians, researchers, students, and media, both from the government and private sector. Through the years, the NCS has provided a forum for exchanging ideas and experiences in the field of statistics and for discussing recent statistical developments and prevailing issues and problems of the Philippine Statistical System (PSS). The NCS has also created new and strengthened partnerships among government agencies, private sector, media, academia, international organizations, and development partners.

14th NCS Theme

The 14th NCS will carry the theme **"Data Innovation: Key to a Better Nation."** The theme signifies the importance of innovation in the provision of quality statistics which will help policymakers design responsive and evidence-based plans and programs towards a better nation.

This year, the 14th NCS will coincide with the opening of the 30th National Statistics Month (NSM) celebration in October 2019. The 14th NCS will feature the Statistical Information Management Exhibition (SIMEx), a commercial exhibition of the latest software, hardware, and other products on statistical information management and dissemination.

Registration Fees/Rates

Participants	Government	Private	Student	International

Discounted Rates				
Group Rate (per participant)				
• Group of 5-9 persons	P8,000	P8,500	P6,700	300 USD
• Group of 10 or more persons	P7,500	P8,000	P6,500	275 USD

Statistical Theory and Methodology

- Computational Statistics
- Econometrics
- Small Area Estimation
- Statistical Quality Control
- Time Series Analysis

Statistical Applications

- Business Intelligence
- Decision Analysis and Risk Management
- Insurance Statistics
- Market Research

Economic Statistics

- Agriculture, Fisheries and Forestry Statistics
- Banking and Finance Statistics
- Economic Progress, Leading Economic Indicators, and Macroeconomics
- Financial Education and Financial Inclusion
- Industry, Trade, and Investment Statistics
- Information Society Statistics
- Labor, Employment, and Productivity Statistics
- Price Statistics and Inflation
- Statistics on Color Economies: White, Black, Brown, Grey, Blue, Green
- Statistics on New Economies: Digital, Sharing, Gig
- Science, Technology, and Innovation Statistics
- Tourism Statistics
- Transport Statistics

Multisectoral Statistics and Other Concerns

- Careers in Statistics
- Data Privacy, Confidentiality, and Protection
- Governance Statistics
- Local-Level Statistics
- Quality Assurance Framework
- Statistical Capacity Building
- Statistical Indicators for Philippine Development
- Statistical Literacy
- Sustainable Development Goals (SDGs)

Biostatistics

- Epidemiology
- Statistical Methods in Genetics and Bioinformatics

International Cooperation and Partnership

- ASEAN
- BIMP-EAGA

Innovations and Improving Business Processes

- Data Revolution: Big Data, Non-Official Data, Citizen-Generated Data, Big Earth Data, Data Analytics
- Use of Administrative Data
- Innovations in Collection, Dissemination, and Preservation of Official Statistics
- Industry 4.0/Fourth Industrial Revolution

Demographic and Social Statistics

- Basic Sectors (Senior Citizens, Persons with Disability, and Indigenous People)
- Child and Youth Development Indicators
- Civil Registration and Vital Statistics
- Demographic and Population Statistics
- Education Statistics (K to 12)
