Dear Sir Baton:

The Department of Health (DOH) confirms the re-emergence of polio in the Philippines after the detection of the poliovirus from a sewage in Manila and waterways in Davao and the confirmed polio cases from 2 regions.

In line with this, the Department of Health will conduct 3 rounds of Synchronized Polio Vaccination starting this October 2019 for all areas in Davao del Sur.

Hence, we would like to invite you or your representative to the **Inter-Agency and Stakeholders Meeting on October 4, 2019 - 8:00 am at Crisbelle Crown Center, Digos City**. Your presence and utmost support to this endeavor is critical in the achievement of 100% immunization coverage among under 5 years old children.

For further information and details of the meeting, please contact Marc Shane B. Adeva at 09778254550 or email address at adeva_marcshane@yahoo.com.

Thank you.

Respectfully yours,
