3. Both LDM 1 and 2 Courses have the passed the quality standards set and are recognized professional development programs by the Department of Education.
4. The delivery modality of training program is mainly guided independent study through the Self-Learning Modules. This will be complemented with peer learning through the Learning Action Cell (LAC) and coaching to deepen the participants' learning.
5. However, the Course Orientation Module (Module 1) may be done through synchronous approach using an online platform for video conferencing. This is to set the tone for the training and to ensure that all participants have the common perspective of the program.
