We have recently opened applications for our scholarship program for pre-service and in-service teachers and are launching two additional subprograms. The Central Office has released an advisory regarding the TeachSTEM College and Master's Degree Scholarship Program (https://www.deped.gov.ph/wp-content/uploads/2022/05/DA_s2022_032.pdf) and we would like to share details of the Teacher Certificate Program and Master's Thesis Grant.

Attached is a summary of offerings for the TeachSTEM Scholarships Program along with links to the application form, our website, social media posts and collaterals.

All programs are offered through our partner institutions:
