Dear Dr. Farnazo:

9:59

Greetings from the Aloysian Professional Community!

In conformity and adherence with D.O. 42, s. 2017, also known as the Philippine Professional Standards for Teachers (PPST) which mandates to make explicit what teachers should know, be able to do and value to achieve competence, improved student learning outcomes, and eventually quality education. It is founded on teaching philosophies of learner centeredness, lifelong learning, and inclusivity/inclusiveness, among others.

Further, the implementation of PPST comes at a perfect time when DepEd is instituting reforms to respond to a changing landscape in education. It enables us to achieve a kind of teacher quality that is well aligned with new requirements triggered by the K to 12 reform, ASEAN integration, globalization and the evolving character of the 21st century learners. PPST provides a new platform to empower teachers to reflect on and assess their own practices as they aspire for personal growth and professional development.

Hence, to support this department's mandate, Aloysian Publications (Philippines) in collaboration with BETMA English (Vietnam) is spearheading the **4th International Convergence of Teachers and Lecturers** with the theme, **New Approaches, Transforming Education** slated for June 24-26, 2022 via Zoom Cloud Meetings. This webicon is **FREE and OPEN** to all members and non-members of Aloysian Publications. A digital certificate of participation (with 15 CPD units- PRC CPD Accreditation No. PTR-2021-334) will be issued to all participants who complete attendance of this three-day conference.
