MEMORANDUM

DM-CI-2022-309

TO : ALL REGIONAL DIRECTORS

FROM : JOSE ERNESTO B. GAVIOLA
Undersecretary for Curriculum and Instruction

SUBJECT : PROGRAM IMPLEMENTATION REVIEW OF THE OPEN HIGH SCHOOL PROGRAM (OHSP)

DATE : August 31, 2022

The emergence of health and environmental crises is unprecedented and has become more frequent. Hence, schools must be ready to use any of the different Alternative Delivery Modes (ADMs) to ensure that learning will continue amidst disruptions and to allow customization of delivery modes responsive to students' need for access to quality education. As a result, it is necessary to review existing policies on the implementation of ADMs in the hopes of making them more responsive to learners' needs and context.

In this light, the Bureau of Learning Delivery (BLD) will conduct the **Program Implementation Review (PIR) of the Open High School Program (OHSP)** on **September 20-23 2022**. Generally, the PIR aims to evaluate the implementation of the OHSP, specifically to:

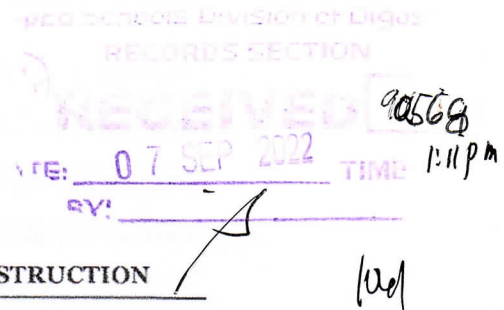

- gain insights on how the OHSP is implemented in the Regions, Schools Division Offices, and Schools;
- reflect on how OHSP contributes to quality, inclusive, relevant, and liberating education for all types of learners who are in emergencies and other difficult circumstances in Junior High Schools;
- elicit the highlights, challenges, and initiatives encountered by the schools in the implementation of the OHSP in preparation of the crafting of the policy on One-Stop-Shop School; and
- provide technical assistance to the implementing schools to improve implementation of the OHSP.

The participants to the activity are the **Regional ADM Focal Persons or alternate and School Heads or OHSP Coordinators of select OHSP implementing schools** in the different Regional Offices. The selection of participants was based on the number of years of implementation, number of OHSP enrollment, and status of implementation, which were culled from the generated data on the Learner Information System (LIS) and the Online Survey Form on the Implementation of OHSP.
