Greetings of Christic Peace!

The Digos City National High School (DICNHS) are preparing for the opening of classes for SY 2022-2023. The City Mosquito Fogging activity for offices started last July 29, 2022 which was scheduled by the City Government Health Office. The City scheduled the fogging for DICNHS on every Friday afternoon and will end in August 26, 2022. The scheduled fogging for the whole campus buildings particularly on classrooms will be on August 12, 19, 26, 2022.

Is it possible that the Division Office Buildings be included in the City Mosquito Fogging since TLE Classrooms are closer to the Division Office Buildings?

We also request that the office work will be closed at 3:00 P.M. for the Fridays City Fogging schedules. Likewise, I am asking apology as I overlooked the early submission of request for the City Mosquito Fogging schedules.

Thank you very much and may God bless all our effort making the school safe and conducive to learning.

Very respectfully yours,

ELIZABETHA R. BUERON
