DIVISION MEMORANDUM

CID-2024-285

To : Assistant Schools Division Superintendent
CID and SGOD Chiefs
Public Schools District Supervisors
Education Program Supervisors
Public Elementary and Secondary School Heads
Public Elementary and Secondary School Teachers
All Others Concerned

Subject : **INVITATION TO 2024 NATIONAL YOUTH SCIENCE, TECHNOLOGY,
AND ENVIRONMENT SUMMER CAMP (NYSTESC)**

Date : August 1, 2024

Pursuant to Regional Memorandum CLMD-2024-427 dated July 23, 2024 titled “Invitation to 2024 National Youth Science, Technology, and Environment Summer Camp (NYSTESC),” this Office informs the field about the conduct of the above-mentioned activity with the theme “Ravisinthe: Activating Electric Potential Beneath the Sands” on August 15-18, 2024 at La Virginia Hotel and Resort, Batangas, Philippines.

This Office informs the field that participation of teachers and learners is on voluntary basis subject to the policy on “No Disruption of Classes” stipulated in DepEd Order No. 9, s. 2005 entitled: “Instituting Measures on Increase Engaged Time-on-Task and Ensuring Compliance Therewith” and no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as an Act Prohibiting the Sale of Tickets and/or Collection on Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law).

For your guidance, the NYSTESC 2024 Primer can be accessed through <https://tinyurl.com/CAMP2024Primer>.

All other details of the activity are in the enclosures.

Immediate dissemination of this Memorandum is desired.

ALLAN G. FARNAZO

Regional Director

Dear Mr. Allan G. Farnazo,

Greetings from the science clubbing movement!

The Philippine Society of Youth Science Clubs (PSYSC) Inc. is a nationwide organization dedicated to upholding the spirit of science clubbing and committed to promoting the public understanding of science, technology, and the environment (PUSTE). For over 52 years, PSYSC has continually conducted impactful activities and programs tailored towards elementary and high school students. Our aim is to empower and spark the interest of the youth towards science and technology and foster a deeper awareness and understanding of environmental and social issues.

This year, PSYSC is proud to conduct the **2024 National Youth Science, Technology, and Environment Summer Camp (NYSTESC)** with the theme "**Ravisinthe: Activating Electric Potential Beneath the Sands**". The event is open to **high school students from Grades 7 to 12, teachers, science club advisers, and coaches nationwide**.

NYSTESC is an annual four-day event comprised of a lecture series by distinguished experts on a selected field in S&T, interactive workshops for hands-on learning, exposure trips, and other fun-filled activities. Focusing on the field of **Electronics**, NYSTESC 2024 will be held on **August 15 - 18, 2024 at La Virginia Hotel and Resort, Batangas, Philippines**. The event continues to foster camaraderie among participants while strengthening their passion for science, technology, and the environment through contests not limited to the school quiz competition, editorial writing and cartooning, poster making, dance competitions, and Pasalubong Festival.

In line with this, we would like to request your support by issuing a **DepEd memorandum** to further disseminate the event invitation to secondary high schools in your region. We believe that your endorsement will generate an even wider reach for NYSTESC, particularly to the Filipino youth whom we serve. As part of the science clubbing movement, NYSTESC provides an inclusive avenue for developing young minds to contribute meaningfully to society through collaboration and innovation.

[SAMPLE MEMORANDUM]
DEPED MEMORANDUM

No. , s.2024

SUBJECT: 2024 NATIONAL YOUTH SCIENCE, TECHNOLOGY, AND ENVIRONMENT SUMMER CAMP (NYSTESC) OF THE PHILIPPINE SOCIETY OF YOUTH SCIENCE CLUBS INC.

TO: Regional Directors
School Division/City Superintendents
Heads, Public and Private Secondary Schools

The Philippine Society of Youth Science Clubs (PSYSC) Inc. will conduct the following activity with dates, venue, and corresponding objectives:

Title	Date & Venue	Objectives
2024 National Youth Science, Technology, and Environment Summer Camp (NYSTESC) Theme: Ravisinthe: Activating Electric Potential Beneath the Sands	August 15-18, 2024 La Virginia Hotel and Resort, Batangas, Philippines	1) provide the participants a thorough understanding of the concepts and impact of a selected field of science through a lecture series by experts & interactive workshops that cater to various forms of learning; 2) promote the interests of participants in the chosen field of science to encourage them to pursue opportunities in its multidisciplinary fields; 3) provide a venue for developing the participants' passion for STEM while promoting camaraderie among science clubbers of diverse cultures.

The target participants for the 2024 National Youth Science, Technology, and Environment Summer Camp (NYSTESC) are junior and senior high school students, advisers, teachers, and coaches from both public and private schools nationwide. Details on how to join the event, including registration fees, complete guidelines for contests, and deadlines, may be found in the NYSTESC 2024 Primer (tinyurl.com/CAMP2024Primer). For important announcements, please refer

to NYSTESC's official Facebook Page (www.facebook.com/psysc.nystesc). Registration for NYSTESC requires science clubs or schools to fill out and submit the necessary forms found in the downloadables folder (tinyurl.com/CAMP2024Downloads) to the NYSTESC email address: nystesc@psysc.org.
